## Living the Paschal Mystery

### *Busy, Busy, Busy*

At times our busied lives can seem frenetic, simply moving from one activity to the next with barely a moment in between. We imagine “the good old days” when things weren’t so harried. It’s true that technology has perhaps increased our attention (or lack thereof) to many details, but time marches along at the same pace it always has for us. Years, months, days, and even hours and minutes may seem to move more quickly than before, but in reality it’s been moving at a constant pace for many centuries.

Most of us feel the pressure of time because we are driven by a purpose. There are things we need to do. And today we hear of Jesus driven by the same. He has something to accomplish. He has a purpose. Though he wakes before dawn to have some time to himself, even that sacred moment quickly vanishes in the midst of the day’s activities.

Simply being busy or having things to accomplish is not a bad thing. In fact, it can be the opposite.

The readings today invites us to reflect on what motivates us. For what purpose are we driven?

Are we taking time to pray, brief as it may be? Even when we do find a moment of solitude, the needs of others come before our own needs.

## Mass Intentions

Mass Intentions are offered at Mass in thanksgiving, for the intentions of another person (such as birthday or anniversary), or, most commonly, for the repose of the soul of someone who has died.

Please call the parish office to schedule your Mass Intentions.
